A New Tech Network District

January 28, 2021

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2020-21 educational progress for the Cassopolis Public Schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact our Curriculum Coordinator, Brooke Brawley for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site [<https://bit.ly/3b1IRAE>](https://bit.ly/3b1IRAE) or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Teacher Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Ross Beatty Jr./Sr. High School	No Label Status	Focus on PBL, Integrated Courses, Literacy across the Curriculum, Professional Development, Data to analyze student achievement, RTI/MTSS, Team Planning Time
Sam Adams Elementary	No Label Status	Focus on PBL, Guided Reading, RTI/MTSS, Regular Intentional Professional Development, Data to analyze student achievement, Common Planning Time
Cassopolis Alternative Education	No Label Status	Individualized Learning, One-to-One support, Literacy Coach

Cassopolis Public Schools prides itself in getting to know each student as an individual. At CASS we work to Create Avenues for Student Success as we strive to recognize each student's individualized learning style, needs, and interests and create pathways to ensure academic success.

Our goal is to ensure that every Cassopolis Public School graduate is not only college and career ready, but also life ready! Moving forward we strive to implement more hands-on, real world applicable learning opportunities for our students with the implementation of project and problem based learning. Students master content more readily and at a deeper level when learning is relevant. We continue to develop partnerships with local community and business organizations to provide extended learning opportunities for our students.

Professional development continues to be an ongoing process and has been formalized and goal focused through the implementation of Professional Learning Communities, common planning time, and grade level/departmental data days to analyze student achievement data, establish root cause analysis and adjust curriculum and instruction accordingly.

We appreciate the support of our community and with the upcoming changes and continued development of best practices, as well as the additional supports that have been put in place, we look forward to the growth that we anticipate we will see at Cassopolis Public Schools.

Sincerely,

Dr. Angela Piazza
