Dear Ranger Families-

We are excited that we have had a great first week of school! It was awesome to see our students in person and begin Culture Week in all of our buildings. The PBIS teams worked very hard to make sure that staff and students could build relationships during this week. Students were engaged in critical thinking, problem-solving, collaboration, and communication skills throughout the week learning about building and classroom expectations.

I want to thank everyone for being patient with us as we navigate our bus routes with fewer drivers. I understand the frustration it causes and I want you to know that we are working on solutions to mitigate the shortage and make sure that students can get to school without any barriers.

If you haven't updated your emails and phone numbers for this year on your registration forms, please make sure you do as soon as possible so that we can make sure you are receiving all of our communications. We will send alerts by text, email, and phone calls to make sure you are up-to-date on what is going on in our buildings.

We are looking forward to a great year and appreciate all of your support!

Yours in Education,

Brooke Brawley
