Good Evening Ranger Staff, Students, Families, and Community

Tonight Governor Whitmer and MDHHS set new guidelines that affect our school buildings. The order states that all in-person instruction for **high school students** ends on November 17th, and all athletics and extra-curricular are suspended until December 7th. More information will come regarding in-person instruction and athletics as they are given by the Governor and MDHHS.

**How does this order affect my high school student(s)?**

The order goes into effect beginning on **Wednesday** for our high school students. There will be no in-person instruction and all students will be virtual learners. Students will need to continue working in ECHO to complete assignments and attend all virtual Zoom classes instructed by their teacher.

**How does this order affect my elementary and middle school student(s)?**

Our middle school and elementary schools will remain open for in-person instruction through **Tuesday, November 24th**. Beginning Monday, November 30th, after Thanksgiving Break, there will be no in-person instruction and all students will be virtual learners. Students will need to continue working in ECHO to complete assignments and attend all Zoom classes instructed by their teacher.

With the holiday season and the family gatherings that occur, we will not be re-opening for in-person instruction until January 11, 2021. The health and safety of our students and staff are at the forefront of our decision to move to all virtual instruction.

Please see the charts below for important dates regarding in-person and virtual learning.

<b>Cassopolis High School</b>	<b>Dates to Note</b>
